

Name: CLIMAX 800 half mask	Code: FA1530	FA15 RESPIRATORY PROTECTION - SIR HALF FACE MASKS
-----------------------------------	---------------------	--

Description

Half-mask made of latest generation composite TPU offering lightweightness, flexibility and comfort for a better solution to breathing protection. The hypoallergenic TPE material does not cause allergic reactions, even after prolonged use, and does not create irritation on the skin; it is comfortable, odourless, very hygienic, and suitable in many industrial processes.

The main body houses the two filter connectors and the exhaling valve, made up of a valve-holder and a membrane, which makes it easier for exhaled air to escape. The half mask is equipped with a comfortable neck strap and head strap that can be easily adjusted to the right length.

Compatible with filters FA1531, FA1532, FA1533, FA1534, FA1535, FA1536, FA1537.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
