Name: RADIO shield for helmet	Code: FB1138	FB11 FACE SHIELDS
--------------------------------------	---------------------	--------------------------

Description
Golden polycarbonate helmet shield. Provides high protection by reflecting the heat from furnaces or from melting processes. Its shape and ample fit ensure thermal insulation and mechanical protection for face, neck and temples. The light green inner tint assures excellent vision. Designed for maximum efficiency when working with incandescent materials.
Height 25 cm.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
