Name: Schermo M-5100	Code: FB1148	FB11 FACE SHIELDS
-----------------------------	---------------------	--------------------------

Description
Face shields with PET lenses (protection against liquid splashes only).
These products are for protection against liquid splashes that may cause damage to the eyes or to eyesight.
The product has been designed and manufactured to comply with Regulation (EU)2016/425 and subsequent amendments.

Category II	Colours	Available Sizes In stock:
Quantity/Carton 200	EC Standards EN 166 Optical Class:1 Field of use:3	Important Information Use only as a face protection shield to avoid liquid splashes. Keep in a cool, dry place, away from heat sources and direct light. Before each use, make sure the equipment is in perfect conditions and replace it in case of any damage. The equipment must be cleaned after each use. Clean the product using a damp cloth with warm soapy water and let it dry at room temperature. An adequate lens cleaning cloth can also be used. Do not use petrol, chlorinated degreasers, organic solvents or abrasive detergents for cleaning the parts of the equipment. The product can be disinfected regularly using alcohol or disinfectant liquid.
