Name: LAVA over-spectacles grey lens	Code: FB1415	FB14 SPECTACLES - DARK LENS
---	---------------------	------------------------------------

Description

Over-glasses with extendable, pivoted and height adjustable temples. Featuring a side and upper protective part in anti-scratch polycarbonate, the over-spectacles offers protection even for heavy-duty activities.

Grey lens 5-2,5 1F: protects from the sunlight with no specific infrared protection. Light transmission from 17,8% to 29,1%. Suitable for continuous use. Impact-resistant lens (6 mm diameter steel ball at a speed of 45 m/s).

Over-glasses are suitable for protecting the prescription glasses. The width and the robustness of the lens make them suitable for heavy-duty activities as well.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
