

Name: CIPRO A glove	Code: MA1135K1	MA11 MECHANICAL PROTECTION GLOVES - LEATHER
----------------------------	-----------------------	--

Description

Glove made of "Buffalo" grain leather.
Cuff: driver.

- "Buffalo" grain leather, characterised by its strength and softness, offers good mechanical resistance and durability, without sacrificing dexterity, breathability and comfort.
- Excellent grip on dry, damp or wet objects.
- Recommended for all those who have sweating problems with coated rubber or knitted gloves.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
