

Name: MAGIC FOBIA LOW shoe	Code: MB1316ZI	MB13 FOOTWEAR - NEW FOBIA SERIES
-----------------------------------	-----------------------	---

Description

METAL FREE low shoe with fiberglass toecap and composite midsole with constant thickness, PS type and Air-Mesh upper for enhanced breathability and comfort.

PU/PU outsole, highly draining in the presence of liquids. SRC slip resistant.

Removable AIR-MIX insole made of EVA material, featuring anti-shock properties and variable thickness: 3 mm in the front part and 10 mm in the heel area. Polyester lining. Antistatic. 3D-TEX lining offering superb absorbing properties prevents feet overheating.

Main features:

- Wide fitting
- Lightweight and flexible thanks to the dual density wide cell-polyurethane and the reduced thickness of the sole
- The flat tread pattern makes it suitable for environments with smooth ground and even terrains.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
