| Name: ECLIPSE ankle high shoe | Code: MB2213Z9 | MB22 FOOTWEAR - NITRAL SERIES |
|--------------------------------------|-----------------------|--------------------------------------|

Description

Ankle high shoe, with upper in PU coated split leather, lace-up closure. Ankle band and tongue in PU laminated fabric. Equipped with fibreglass toecap and composite midsole. Contrasting orange stitching. The PU/rubber sole, thanks to the special tread pattern, guarantees a highly draining effect in the presence of liquids. SRC slip resistant. The insole is made of polyurethane foam coupled with mesh fabric. Featuring a WR membrane in TPU and a mesh insert with padding on the ankle band area.

Features:

- HRO and SRC outsole. Resistant to contact heat up over HEC and guarantees excellent grip in all conditions.
- CI and HI padding. Perfectly insulates against heat at high temperatures and in extremely cold environments.
- WR inner lining. Wraps around the foot, thus improving water resistance.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
