Name: METAL FIGHTER ankle high shoe	Code: MB2214Z9	MB22 FOOTWEAR - NITRAL SERIES
--	-----------------------	--------------------------------------

Description

Ankle high shoe featuring a printed grain leather upper and velcro closure. With fiberglass toecap and composite midsole, with 4 mm-constant thickness.

PU/Nitrile rubber outsole, thanks to its particular design, guarantees a highly draining effect in the presence of liquids. The middle zone with grooves is designed to strengthen the grip on ladders. SRC slip resistant. Insole made of multi-perforated EVA material with anti-shock properties, having variable thickness: 3 mm at the front and 10 mm in the heel area. Lined in the plant area. Antistatic. 3D-TEX polyester LINING for foot ventilation, reducing perspiration.

Main features:

- Heavy-duty design: suitable for rough terrain
- Very wide shape, guarantees the comfortable housing of feet
- Wide-cell polyurethane sole guarantees a high anti-shock effect.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
