

Name: RODOS ankle high shoe	Code: MB2921B6	MB29 FOOTWEAR - URBAN EXPLORER SERIES
------------------------------------	-----------------------	--

Description

Ankle high shoe, with seamless tear and cut-resistant polyester upper and closure with laces. Anti-slip heel and padded collar to protect the ankle from uncomfortable pressure. Equipped with stainless steel toecap and composite midsole for excellent flexibility and protection of the entire foot area. The soft and ultra-flexible dual density PU/PU outsole offers enhanced comfort and excellent grip on wet and uneven surfaces. SRC slip resistant. The insole is made of polyurethane foam with honeycomb texture to facilitate blood circulation and features antistatic treatment. The polyester mesh lining is specially designed to allow ventilation of the foot reducing the sweating effect.

Main features:

- Regular fit
- Lightweight and flexible, thanks to the dual density wide-cell polyurethane and the reduced sole thickness
- The flat tread pattern makes it suitable for environments with smooth ground and even terrains
- Great breathability properties thanks to its polyester mesh lining.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.

Category II	Colours GREY	Available Sizes In stock: 36 - 40, 46
Quantity/Carton 10	EC Standards EN ISO 20345  Safety Class:S1P SRC	Important Information Store clean footwear in a cool, dry place, away from heat sources and away from light.
