Name: VIRGIN SANDAL	Code: MB3112Z9	MB31 FOOTWEAR URANIA BSF SERIES
----------------------------	-----------------------	--

Description

ESD sandal with fibreglass toecap and Zero Penetration puncture-proof composite midsole. Featuring an upper made of suede leather and polyester fabric with polyurethane fibre reinforcement. The PU/PU sole, thanks to its special tread pattern, assures a highly draining effect in the presence of liquids. The outsole assures extreme mechanical resistance, flexibility, softness and hydrocarbon resistance.

SRP slip resistant. The PU/PU sole, thanks to its special tread pattern, guarantees a draining effect in the presence of liquids and is characterized by high mechanical and hydrocarbon resistance, while maintaining great flexibility and softness. The Fly foam footbed in polyurethane foam gives the shoe remarkable anti-shock properties. Antistatic. The polyester lining has a highdraining power due to the high absorbing properties of the fabric and structure.

Main features:

- The modern and futuristic BASF polyurethane sole represents the synthesis of elegance and safety.
- Upper made of the latest technological materials, designed to offer a high level of comfort through breathability and elasticity.
- Suitable in all situations of prolonged use, thanks to the antishock effect of the BASF material.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.

Category II	Colours BLACK	Available Sizes 35 - 47
