- Tape measure pocket;
- Concealed badge holder;
- Cationic wear reinforcement on the knees, designed to ensure high resistance to abrasion and tearing;
- 4-way stretch fabric allows dynamic postures to be adopted during work activities without subjecting the operator to additional stress; - Double-stitched seams in areas most subject to stress and wear to ensure greater strength and durability.

Work trousers made from multipurpose fabric, designed to ensure maximum safety, comfort, and functionality in everyday work environments where practicality is essential. The 4-way stretch fabric, combined with elasticated side inserts at the waist, promotes freedom of movement for the operator, allowing dynamic postures to be adopted during work activities; the fabric helps to perfectly balance protection and comfort, making the garment soft and breathable without compromising strength and mechanical resistance. The double-stitched seams guarantee strength, ensuring durability even under intensive use. The cationic wear reinforcement is designed to offer advanced protection against wear in areas subject to greater stress, such as the knees. The 5 pockets make it extremely functional and practical, allowing you to always have essential tools and items close at hand while working.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
