Name: CHEMFOR TOTAL coverall	Code: MC3434K1	MC34 CHEMICAL PROTECTION DISPOSABLE CLOTHING
-------------------------------------	-----------------------	---

Description

Coverall with features of mechanical protection and tear resistance, in high density polypropylene coupled with breathable microporous film. Featuring heat-sealed seams in contrasting colour, two-way concealed zipper closure with adhesive flap, elasticated hood, cuffs and ankles and elastic thumb loops.

- High protective power, resistant and breathable.
- Waterproof to splashes of liquids, even inorganic ones, and to fine dust with an average size of 0.6 microns.
- Antistatic treatment.
- Hygienic because it leaves no fibers in the environment.

MOQ: 20 pieces per size.

The product has been designed and manufactured to comply with Regulation(EU) 2016/425 and subsequent amendments.
