Made from 100% 144F microfleece weighing 310 g/mi, this garment combines comfort, functionality and protection in a design created to meet the challenges of everyday work.

The central zip adds a dynamic touch, while the high collar provides effective protection for the neck area against external agents. The three pockets make it extremely functional and practical, allowing you to always have the tools and items you need for work close at hand. Certified in class 2 for high visibility, the garment guarantees a medium-high level of visibility in daylight and night-time conditions, even in the presence of artificial lighting such as vehicle headlights. The cuffs and hem are finished in stretch jersey, ensuring a comfortable and snug fit.

For greater visibility in lowlight conditions, the fleece is equipped with reflective bands sewn onto the chest, armholes and shoulders, actively contributing to the operator's safety.

The main external fabric is OEKO-TEX® Standard 100 certified

Category	Colours HI-VIS ORANGE	Available Sizes In stock: S - 4X
