

<b>Name: CARBOFLAME underpants</b>	<b>Code: MC5620Q4</b>	<b>MC56 CLOTHING - CARBOFLAME SERIES</b>
------------------------------------	-----------------------	--

### Description

Underpants in stretch fabric, with FR protection, antistatic, protecting from the heat arising from the arc flash.  
Made in 63% FR Modal, 34% aramid, 2% elastane, 1% fibre, 200 g/m .  
Ergonomic cut and chain stitching in red colour.

The product has been designed and manufactured to comply with Regulation (EU) 2016/425.

This underpants can be worn under arc flash protective clothing, as it responds in A.2 of IEC 61482-2, requiring that arc flash protective clothing arc can not be used with underclothing that can melt with the arc, for example polyamide, polyester and acrylic fibres.
